Although guests can see a complete list of couples registered with us, and the copy of the registry, the bridal registries themselves do not reflect what has already been purchased. Guests who would like to purchase an item from a bridal registry simply need to come into the store or call in by phone, and any of the staff members will be more than happy to walk them through the registry and what is still available for purchase. Call 843-856-4321
